Dear Doctor Birdsall,

bitte, entschuldigen Sie, wenn ich erst heute antworte, aber Ihre Aufforderung zu einem Seminarvortrag hat hier im Institut einige Überlegungen und Diskussionen ausgelöst. Nach längeren Überlegungen ergab sich, daß eine Teilnahme eines Mitglieds am SNTS-Meeting in Toronto vermutlich nicht möglich sein wird wegen anderer Termine und Arbeitsbelastungen.

Zu Ihren anderen beiden Fragen: Wir haben bei den bisherigen Arbeiten, die sich hauptsächlich auf Text und Textwert der Handschriften konzentrierten, nicht systematisch die Beigaben einschließlich Inskriptionen, Subskriptionen und Kollophonen erfaßt. Hierzu befinden sich im Institut erst Materialsammlungen, die noch nicht systematisch ausgewertet sind, da andere Arbeiten zunächst dringender waren.

Es tut mir leid, Ihnen keinen günstigeren Bescheid geben zu können. Dennoch wünsche ich Ihnen zum bevorstehenden Weihnachtsfest und neuen Jahr alles Gute.

Mit besten Grüßen  
Ihr ergebener

Dear Dr. Birdsall,

I am sorry to say that I am not aware of studies of the "Jerusalem colophon" after Schmidtke 1911. But I have not traced the matter systematically. As a substantial part of the witnesses are connected with Southern Italy there might be something about it in the publications about the manuscripts from that region. And as it is a matter of text-critical interest the files of the Münster Institut für neutestamentliche Textforschung might record additional witnesses or comments. Whatever the real background of those notes may be, I think it could be useful to compare them with notes about copying and collating in texts other than biblical, including non-Christian Literature.

I regret to say that we shall not meet in September in Oxford. I have an invitation to speak at the FIEC conference in Budapest which meets in the same week.

With best wishes,

Yours sincerely,

  
(Dr. habil. Kurt Treu)
